September 23
First Day of Autumn

Come in and see us...you'll know this is home.....

We would like to say a special "Thank you" to one of our Residents, Thelma Linden and her family for some wonderful gifts! We were given money to buy some things that the Residents would get some enjoyment from! One of the favorite things to do is play Wii. A Karaoke program, Dance program and Trivia game were purchased. Another thing the Residents love to do is eat! An "Old Time" Popcorn Popper was purchased to use on a regular basis! It will be available for Residents to snack on regularly! Thanks again to Thelma and her family for the donation to get these extra things! I am sure they will be used often by the Residents! It was so nice of you to take the time to do this!

A new item added to the menu is a Bacon, Lettuce and Tomato Sandwich!
